

OSKAR VON MILLER FORUM

Documents to be included in applications for the Scientist in Residence programme at the Oskar von Miller Forum

- Letter of application describing your personal motivation for the opportunity to be a visiting scholar at the Oskar von Miller Forum
- Brief CV, highlighting research topics that can provide input and inspiration to scholarship holders at the Oskar von Miller Forum
- Suggestions for activities, such as workshops, excursions or joint events with the scholarship holders to promote excellence in education
- Letter of recommendation from the inviting professor at the TUM or from a professor at your home university

If you are considered as a Scientist in Residence at the Oskar von Miller Forum, you will be invited to an in-person or SKYPE interview.

The duration of your stay will be decided by the Oskar von Miller Forum depending on the number of instructional events agreed in advance (3 months max).

The longest part of the stay must take place within the TUM's lecture period in order to enable an in-depth subject-specific dialogue with the scholarship holders of the Oskar von Miller Forum, as well as implementation of workshops, etc.

Please e-mail your application as a PDF document to info@ovmf.de
